# About Us

***Bhanu Mart is a venture of Suryastra Supermarket LLP.  
Bhanu Mart is a business model in which company is  
opening supermarkets in different locations of India.***

***Company provides business opportunity  
to everyone. Company provides multi solutions to  
stores & customers Company giving online service to  
customers by ecommerce app & for walk in  
customers provides store shopping experience.***

***Company provides many types of business models  
for investors We are working in Urban, Semi Urban  
& Big populated Rural areas. Company  
provides best margin to retailer  
& big discounts to customers.***

# Company Vision

*Our goal is to make India's Ecommerce business profitable. In this, we must provide an excellent business opportunity for the investor from the middle class.*

*The majority of Indian franchise models give little attention to technology or customer service. We give our stores best technology and products with significant savings so they may benefit their customers as much as possible.*

*Our mission is to give all household under one roof at country's every city, villages with home delivery.*

# Why Choose Us

- *Maximum Margin To Our Stores*
- *Regular Supply Of Goods At Stores*
- *Online E-commerce Selling Platform*
- *Delivery Boy Application & Management Portal*
- *Billing Software With Best Inventory Management*
- *Less Educated People Can Run Our Software Very Well*
- *Marketing Support & Product Selling Strategy*
- *Training To Staff From Professionals*
- *Broad Range Of Variety At Our Stores*
